HUM BANAYE JO INDIA CHAHE

"It's not the hours we put in our work that counts,
it's the work we put in those hours"

"BHARAT", uniform fabrics catalogue by B & J – comprising of 100s of choices, offering a variety of fabrics to suit your uniform fabric requirements in plain, stripes, checks in various blends - in 89cms and 147cms widths, across various colour and design options.

Our journey in the textile business has been ancestral to the Jindal family with a history of over a century. In the year 1985, the foundation was laid by the visionary Shri Devkinandan Jindal, along with members of the family, in Mumbai & Delhi. As a traditional joint family business, we operate from our facilities in Mumbai (Andheri & Bhiwandi) and Delhi (Chandni Chowk & Gandhinagar). It's a combination of focus, thoughts and actions converging towards achieving that one common goal, which led to the establishment of *BajajFab-JindalFab* and other brands.

Our products are characterized by creative efforts in designing which include – yarn colours, weave and texture while maintaining quality at the same time. Latest design development by the R&D team is a constant process along with valuable inputs and feedback provided by our clients, who are our eyes in the marketplace.

It is in our best interest to continue to use the latest resources to provide better service to our customers.
