UNIFORM BY B&J HUM BANAYE JO INDIA CHAHE

John Berry

"It's a beautiful thing when you wear a uniform, which represents a group of people, because what it immediately symbolizes is oneness, togetherness."

- Nia Long

Our first uniform catalogue 'BHARAT' was a grand success with god's grace and support of our prestige customers. One of our achievement was that we were able to cater to customers from all parts of the country in terms of our quality and designing.

Based on our regular customer interaction, we got a feedback to launch a catalogue dedicated for corporate uniforms. Taking this encouragement ahead, our designing team took charge and immediately got to work.

After tremendous efforts of research and development, we are glad to present our new corporate wear collection catalogue "BHARAT CORPORATE".

We have used high quality yarn and processes to provide comfort to the user which eventually improves efficiency. Our main focus for this book is on wider width (58 inches) fabrics which will help in cost efficiency and utility. More and more corporates are joining 'Make in India' & 'Vocal for Local' campaigns to promote and create employment in our country. Thus, the book is named 'BHARAT' to show our support for these two campaigns.

Dressing your team in a uniform encourages unity and equality in the company, which leads to positive working environment and eventually increased efficiency.

Research and development is a continuous process, we want to cater to more and more customers and serve them with innovative designs & high quality fabrics.

Our next catalogue will be focusing on exclusive uniform designs.

It is in our best interest to continue to use the latest resources to provide better service to our customers.
