**"GANGOTRI TEXTILE MILLS"** is always at the paramount of our manufacturing process. We, at Gangotri are passionate about new innovations and has an urge to excel in the world of uniforms. This has driven us to set up world class manufacturing facilities with extreme operational efficiencies in record time.

The uniforms of Gangotri Textile Mills are crafted from the finest yarn. The fabrics are available in polyester cotton, polyester viscose, pure polyester to name a few which are durable, skin friendly and easy to maintain.

In the era of playful activities, the kids are continuously engaged in playing in the sun, drenching in the rains, sliding, rolling, sitting on the ground and sleeping on the bench, thus their school uniforms becomes their second skin. Therefore, bad quality of fabrics can harm their sensitive skin with rashes due to abrasion, thus good quality fabric keeps them comfortable throughout. If the students look comfortable, they feel more confident and they perform much better.

Therefore, when we talk about a good quality fabric at reasonable price, the first brand that fulfills the criteria is **"GANGOTRI TEXTILE MILLS"**. One does not expect quiet so much from an ordinary uniform fabric available in the market, but when you buy Gangotri Uniform's you are assured of only the best.

In the world of uniforms from school to corporate, all the collection is featured in this catalogue which is exclusively available with the world uniform brand and is intended only to limited dealers.
